SURVEYOR'S CERTIFICATION

This survey was performed for the specific purpose of establishing a survey centerline or baseline and locating the limits of maintained right of way as identified by the Maintenance Engineer for the transportation facility shown and depicted hereon. I hereby certify that to the best of my knowledge and belief this is a true, accurate and complete depiction of a field survey performed under my direction and completed on January 20, 2003. I further certify that said drawing is in compliance with the Minimum Technical Standards as set forth by the Florida Board of Professional Surveyors and Mappers, pursuant to Section 472.027, Florida Statutes.
